The screenshot shows the Governmentmint website interface. At the top, the browser address bar displays 'http://governmentmint.cosmos.network'. The main content area features a 'New Draft' form with the following fields and options:

- Title:** A text input field.
- Type:** Radio button options for 'Pro/con', 'Multi-choice', and 'Open'. A help icon (?) is next to the 'Open' option.
- Description:** A large text area with the instruction '(no opinion, description must be neutral)'.
- Tags (max. 5):** A text input field.
- Add link to previous version / discussion:** A checked radio button followed by a help icon (?) and a text input field containing the URL 'http://governmentmint.cosmos.network/drafts/mining_reward'.
- Enable notifications for this draft:** An unchecked checkbox.
- Submit:** A blue button at the bottom right of the form.

On the left side, a sidebar shows a list of drafts with columns for up/down arrows, a 'M' icon, and numerical values (511 and 111). On the right side, a 'Proposals' section is visible with a 'New draft' button and a list of proposals with titles like 'Description' and 'ration'.
